Procurement Program

City Code Chapters 2-9A and 2-9B, as amended, establish a Minority-owned Business Enterprise and Women-owned Business Enterprise (MBE/WBE) Procurement Program in Construction and Professional Services. The aim of this program is to promote MBE and WBE participation in City procurement, through its prime contract awards and subcontracts, and to afford MBEs and WBEs an opportunity to compete for City contracts. In particular, this program encourages contractors to provide opportunities to certified MBEs and WBEs for subcontracts or related contracts. A "Subcontractor" is defined by the Ordinance and for the purposes of this form as any person or Business Enterprise providing goods, labor, or services to a contractor if such goods, labor, or services are procured or used in fulfillment of the contractor's obligations arising from a contract with the City. In accordance with City Code Chapter 2-9A, as amended, goals for MBE and WBE participation differ from contract to contract, based on the type of contract, the availability of MBEs and WBEs to perform the functions of the contract, and other factors.

Preconstruction Phase Services: The City will issue MBE/WBE goals for Preconstruction Phase Services.

Construction Phase Services: Additionally, the City has determined that subcontracting opportunities will arise during the construction phase of this project; however, the specific scopes of work and the magnitude of the scopes of work cannot be determined until the design for the project has been completed. When the design documents have been substantially completed, the City will establish appropriate MBE/WBE goals, and the successful Construction Manager-at-Risk firm shall submit a MBE/WBE Compliance Plan meeting the goals or documentation detailing their Good Faith Efforts to meet the established MBE/WBE goals.

I understand that I am responding to a Construction Manager at Risk Solicitation. If chosen for this Solicitation, the City of Austin will require me to comply with the standards and principles of the City's MBE/WBE Procurement Program, and this signed Statement of Commitment makes the MBE/WBE Procurement Program standards and principles a part of my contract with the City of Austin.
